Skills

Skilled and versatile camera assistant with a solid 6 years of experience working for a large facilities company in central London. I've gained a wealth of experience both in house and on set. This regular exposure has not only taught me how to use a variety of kit, but it has also largely improved my problem solving. latterly while at Procam I worked on set in various roles including, Data Wrangling, Camera Assistant and Operating.

EXPERIENCE

In- House Camera Assistant/ Operator | Procam Take 2 | October 2014-
October 2022
